Final-year Computer Science undergraduate with strong interest in IT services and enterprise solutions. Skilled in software development, DevOps practices, and cloud computing with hands-on experience in Docker, Kubernetes, CI/CD, and Infrastructure as Code. Adept at delivering reliable, scalable, and client-focused solutions with strong problem-solving and collaborative skills.

Education

Koneru Lakshmaiah University, B.Tech in Computer Science

- CGPA: 9.46/10

Sri Chaitanya Junior College, Class XII

- Percentage: 89%

Experience

Cloud Virtual Intern, AICTE Edu Skills

- Deployed and monitored cloud resources on AWS using EC2, S3, and IAM services.
- Built CI/CD pipelines with Jenkins and GitHub Actions to streamline software delivery.
- Gained practical exposure to enterprise-level cloud management and automation practices.

Projects

Online Stock Management System

- Designed and implemented a robust stock management system using Java technologies for enterprise-grade usability.
- Improved scalability, consistency, and maintainability of IT services across environments.

PPT Controller using Python

- Developed a Python-based automation tool for gesture-controlled presentation navigation.
- Applied OpenCV and MediaPipe for computer vision-based interaction.

Skills

Cloud & DevOps Tools: AWS, Microsoft Azure, Docker, Kubernetes, Jenkins, GitHub Actions, Terraform

Programming & Scripting: Python, Java, C

Operating Systems: Linux, Windows

Professional Skills: Problem-Solving, Team Collaboration, Communication, Adaptability, Client Orientation

Certifications

-
- AWS Certified Cloud Practitioner (May 2024 – May 2027)
 - Red Hat Certified Enterprise Application Developer (Sep 2024)
 - Salesforce AI Associate (Oct 2024)
 - BEC Lingual Skill (Aug 2023 – Aug 2026)

Additional Activities

Marketing Core, Kognitiv Club

- Coordinated technical events and promoted workshops focused on IT and emerging technologies.

Attendee, NVIDIA AI Summit, Mumbai

- Gained insights into AI-driven automation and next-generation enterprise cloud practices.
